Treasurers Report for November 8, 2011

Membership

- 1. 2011 Cash on hand as of November 8, 2011; \$12,869.03*
- 2. Membership as of November 8, 2011; 37 members, 25 are single members, 8 are dual members and 4 are lifetime members.*
- 3. We still have some outstanding invoices \$715.00 worth*
- 4. Please get next year's membership dues in. Schambaugh was the 1st for 2012.*
- 5. Get ready for next year's product show.*
- 6. I would like to make a motion for the golf outing's charity raffle to be given to the event being held this Friday for Harold Miller. We have been donating for years to the Burn Camps and right now one of our own has some issues and I feel like we should help out one of our own. The officers discussed this last month and at the golf outing and I wanted to present it to the floor. We will still have some left at the year's end to give to the Burn Camp or Tragedy to Triumph.*

This is my report.

Sincerely,

Brian Johnstone
