

11th Annual IFPA-SFPE Combined Fire Prevention Product Show **CEU /PD Classes**

Tuesday, March 8th, 2011, 4 - 8 PM

**The Medinah Banquets
550 N. Shriners Dr.
Addison, IL 60101
(630)-268-1980**

We are offering two classes for Continuing Education or Professional Development credit prior to the Product show.

These classes will run concurrently from 3:15 to 4:15 PM and again from 4:30 to 5:30 PM.
This will allow participants to see both presentations, and have ample time to visit the show and have dinner.

FREE CEU CLASSES!!!!!!

The NFPA ban on antifreeze in Residential Fire Sprinklers “Learn where this important issue has landed and see what you need to be doing in order to protect your customers and your business”.

Presented by: Cecil Bilbo
